

Special NYC*BUG meeting:

Marshall Kirk McKusick

Eric Allman

Saturday, October 16, 2004, 2:00PM

Columbia University, Mathematics building, Rm. 312

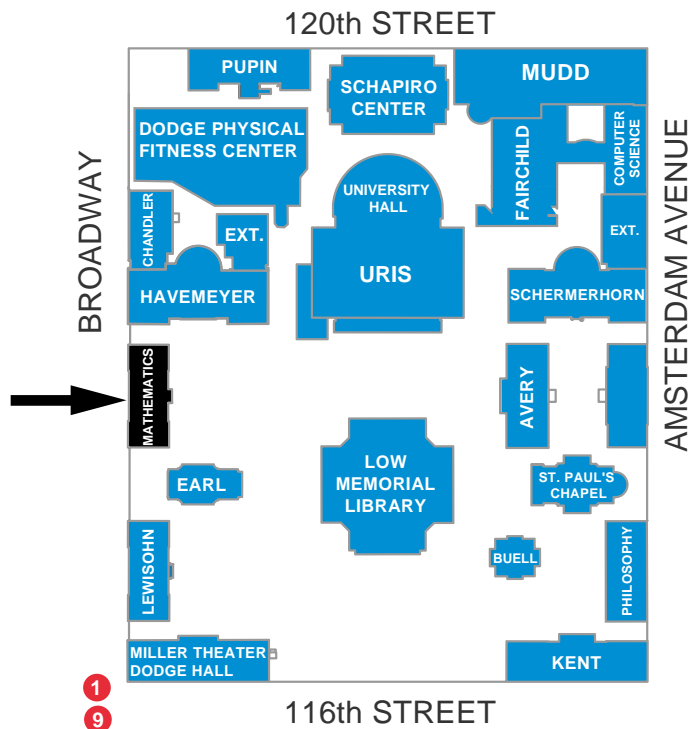

Attendance is free and open to the general public.

By Train: the 1 or 9 train to 116th. St. and Broadway, Manhattan

Marshall Kirk McKusick, known for his extensive work on BSD from the 1970s to FreeBSD in the present day, is the featured speaker at this special NYC*BUG meeting. He has twice served as the president of the board of the USENIX Association.

Eric Allman, founder of Sendmail.org and past Vice President and Treasurer of the USENIX Association, will be speaking about the recent controversies on sender identification to prevent unsolicited commercial email (spam).
